NATIONAL BROILER MARKET AT-A-GLANCE

Whole broiler/fryer prices are steady. Offerings are light to moderate for current trade needs. Retail demand is light to good, mostly light to moderate with trucks availability continuing to be a huge issue. Food service demand is light to instances good, mostly moderate entering the holiday week; however, curtailed plant schedules during the holiday period will help bring product into close balance. Floor stocks are mixed. Market activity is slow to moderate. In the parts structure, movement is light to fair as dealers remain cautious and selective. Prices are trending steady to firm for tenders, steady to weak for wings and steady for the balance of items. Offerings of tenders are balanced to adequate and clearing well; breast cuts, wings and most dark meat items are moderate to heavy with the larger wings noted as slightly more available and slow to clear. Market activity for parts is slow to moderate. In production areas, live supplies are moderate at mixed but mostly desirable weights.

The National Composite Weighted Average for 12/20/13 is 93.94 compared to 94.89 a week earlier, and 98.17 a year ago.
